

SELECTING YOUR MATERIALS

Almost There:)

Congratulations on your exciting project! We look forward to assisting you on your journey to creating your dream.

Please enter your chosen materials and colours in the schedule below.

If your colour schedule is not ready yet, don't worry—it can be sent to us after the 3D modelling step.

If you are unsure about any item, feel free to leave it blank for now just enter 'TBC'. Options 2 and 3 are available if you are using our 'ColourUp' package, which allows you to explore additional design choices. Note that these can be completed after the initial draft. Happy designing!

“What Now”

Once we receive your deposit, we will commence 3D modelling of your project. This exciting step brings your vision to life. If your colour schedule is not ready yet, don't worry—it can be sent to us after the 3D modelling step. When the 3D modelling is ready, we will apply the selected materials and colours, and send you a watermarked draft version for your final review. After you approve the design and make the final payment, we will provide you with high-resolution images of your completed project. We can't wait to see your dream home take shape!

Your Project will be ready soon:)
